

What do you value in a job?

When exploring occupations and jobs it is good to know what you value in a job. Rate how important each of these job-related values and benefits are to YOU.

Simply place your rating number in the star beside the value.

1 = most important

2 = medium importance

3 = least important

 A high salary	 Promotion potential
 On the job training	 Location
 Close to home	 Job security
 Environmentally friendly	 A safe work environment
 Flexible working hours	 Prestige
 Long holidays	 Flexi-time
 The organisations reputation	 Work colleagues
 Responsibility	 Autonomy
 Working with a team	 Being in charge
 Challenge	 Variety
 Predictability	 Helping others
 Creative	 Other values _____
 Other values _____	 Other values _____

Now write down the values and benefits you rated Number 1, and try to rank them from most important to least important. Keep them in mind when you are looking for a job.

My values ranking:

1. _____ 2. _____

3. _____ 4. _____

5. _____ 6. _____
